

## IT & EDI Support (f/m)

In this position, you will reinforce our team in the areas of ERP and EDI.

### Your main tasks:

- ERP
  - Processing of 2nd level support queries
  - Continuous proactive further development of process flows in the ERP system
  - Support of specialist department processes in the ERP system
- EDI
  - Assurance of the automated data flow between our ERP system and the merchandise management systems of our trade partners
  - Preparation of interfaces
  - Processing of error messages
  - Involvement in EDI projects (e.g.: Auto Replenishment, etc.)

### Your profile:

- Completed studies in the field of Information Technology or completed IT training with the corresponding work experience, at least 3 years
- Experience in the EDI area
- Skills in project management
- Experience in administration and support of ERP systems
- Enjoyment in the conceptualisation of innovative IT solutions
- Solution-orientated working approach
- Enjoyment in the competent processing of routine tasks
- Interest in future-orientated topics in IT
- Willingness to travel
- Excellent knowledge of German and English

### We offer you:

- Entry into the shoe branch in an international company with four individual and successful brands.
- Uncomplicated interaction in a creative environment and a pleasant working atmosphere characterised by mutual respect.
- Respect and appreciation are a matter of course for us, and this also applies for the selection of employees. We are constantly searching for the best candidates for our company – irrespective of age, gender, origin etc.
- The collective agreement for the shoe industry (Application group IV) stipulates, for this position, a monthly gross salary of € 2,119.00. The actual salary will be orientated on your qualifications and experience.
