

Do you have a passion for children's shoes? Is fit and quality combined with modern design just as important to you as it is to us? Reinforce our team as a

Designer (m/f) for our children's shoe brand superfit

in Graz, full-time

superfit is the market-leader in the European children's shoe sector, and is able to rely on 70 years of experience in the development and manufacture of children's shoes. superfit is part of legero united, an internationally successful company in Graz with more than 880 colleagues worldwide from over 40 nations.

Your main tasks:

- You will assume the creative responsibility for our children's shoe brand and design innovative and high-quality products.
- You are inspired by materials, colours and themes during trend journeys and trade fairs, and implement your ideas in new developments and existing designs.
- You will create detailed product group concepts and define seasonal colour cards and material portfolios.

Your profile:

- You are an experienced shoe designer, preferably in the children's shoe segment.
- You enjoy travelling and working together with production partners worldwide.
- You are cost conscious, adhere to schedules, can make decisions and are assertive.

We offer you:

- Unfurl your design talent in a dynamic working environment.
- Further training and development possibilities coordinated to your personal requirements.
- With legero united as a sponsor of many important cultural institutions, you will be right up close to cultural events.
- Uncomplicated interactions in a creative environment and a pleasant working climate.
- Respect and appreciation are self-evident for us with the selection of employees. We are constantly searching for the best candidates for our company – irrespective of age, gender, origin etc.
- This position is classified through the collective agreement for the shoe industry. The actual salary will be orientated on your qualifications and experience.
